Dewan to H.H. The Maha Raja of Mysore
Mysore

Sir,

I have the honor to address you requesting permission for this Company to open an Agency for its beers at Mysore Mine Kolar.

I regret having to trouble you in this matter, but the Dep. Commissioner of Kolar District, to whom several applications have been made, states it is necessary to get your sanction

Capt. Plowden, to whom I

have applied, and sent samples
Beers we propose to sell, agree
(as you will see by copy of his letter
enclosed) that it would be an
excellent thing for the convenience
and sobriety of the miners &c - if
an Agency was started, and I trust
therefore, you will grant our application.

Capt. Plummer states the Camp
can have a store adjoining Capt.
Anderson's Bakery at the mines, if
the Agency, & I have personally
inspected and approved of the same.

I have me honor to be,

Sir,

Your obedient Servant,

Dear Sir,

I have received the Cases of Beer which you so kindly sent to me and I find the "Continental ale" very good, I have not yet tried the other kind Anything that I can do to assist you in getting a license for the sale of beer on the field, I shall Certainly be glad to do - as I believe it to be much better for the workmen than either Whiskey or Arrack and perhaps better than the heavy English Beer.

Yours faithfully
(Signed) B. D. Plummer
